

Worked ITU Zones Award

The purpose of this award is to generate activity on the HF bands whilst recognising the work of the International Telecommunications Union

The award may be claimed by any licensed radio amateur who can produce evidence of having contacted amateur radio stations in the required number of ITU zones.

There is a choice of 4 categories:

- **Classic Worked ITU Zones**
- **5 Band Worked ITU Zones**
- **WARC Band Endorsement**
- **Top Band Endorsement**

Confirmation of two-way contacts is required either by QSL cards or LoTW for contacts on 160, 80, 40, 30, 20, 17, 15, 12 and 10m.

To apply for the award, please list claimed contacts in the Worked ITU Zones Award spreadsheet which have confirmed status on LoTW or for which you hold relevant QSL cards (which can be submitted by post or scanned image) and sign the declaration below. Send this application form and the Worked ITU Zones Award spreadsheet:

by email to awards@rsgb.org.uk

or

by post to: Chris Burbanks G3SJJ, RSGB Awards Manager, 16 Cotgrave Road, Plumtree, Nottingham, NG12 5NX.

I am applying forCategoryClass AwardMode and DECLARE that:

- All the contacts were made by me from the same DXCC country and in accordance with the terms of my radio transmitting licence.
- For QSLs - that none of the cards have been amended in any way since receipt.
- For LoTW - all claimed contacts have confirmed status.
- I have enclosed sufficient postage for return of QSL cards (if applicable).
- I accept that the decision of the RSGB Board shall be final in all cases of dispute.
